Subject: 100 B/C Risk Assessment Pilot

Folks,

RL is ready to initiate DQO interviews for the 100 B/C Risk Assessment Pilot. As per the minutes from the January NRTC meeting, the following list of people "appear" to be on the Remedial Action Work Group (the minutes contained two separate listings and we're not sure which is correct).

- Dan Landeen, Wade Rigsby, Don Steffek, Tom O'Brien, Larry Gadbois, Damon Delustrade, Jamie Zeisloft, Susan Hughes, Dirk Dunning and Laurie Vigue (?)

These are the people now listed as potential candidates for an interview. If this is incorrect, please let me know. If you are not on the list and want to be, please let me know.

Later this week, BHI will be making their initial contact with regards to the interviews. They will be using this list (as amended by your feedback) to notify prospective interviewees via e-mail. Stay tuned!

Jamie
